

ANNUAL REPORT OF LIBRARY IS MADE

Miss Alma Reid McGleem
Presents Report to the
Board of Directors.

An intimation of the great increase in patronage that will come to the Tulsa library now that it is in its new quarters was conveyed at the regular meeting of the board of trustees last Monday night when Miss Alma Reid McGleem, head librarian, presented her annual report for the fiscal year ending May 31, 1916.

Although the library activities were hampered by the lack of room, most of the year, the report shows a splendid growth and the outlook for the next year takes on a correspondingly brighter hue.

The total circulation of books during the year was 21,447 volumes, an increase of over a thousand over the preceding year. Over two-thirds of the circulation was for adults. The circulation of non-fiction is increasing.

Many Books Added.

A total of 778 new members were enrolled during the year, making the entire patronage 4,402. During the year 8,802 persons visited the library for the reading of books and periodicals. Since the opening of the new reference room the daily average attendance has increased from 30 to 70 per cent. The reference room also was utilized by pupils from the high school who used the files extensively for debating material.

One thousand three hundred and fifty-four volumes were added to the book collection, 68 being gifts, leaving a total of 4,996.

In October Miss Bethel Dean commenced her work at the library as an apprentice and in April she was appointed regular assistant.

In treating the children's department Miss McGleem said: "The most noticeable feature of our work since the opening of our building has been the great increase in the attendance of children, the resources of our juvenile department are sorely taxed and the problem confronting us is how to supply the children from our small number of juvenile books. The 'story hour,' popular in libraries today, has met with its usual enthusiastic response in our library. We take this opportunity to publicly thank the clubs and other friends of the library for gifts of books and money to purchase new books, especially we would like to thank 'The Man About Town' of the Tulsa World for his untiring efforts to increase the juvenile collection."

BURGLAR PLAYS AS OFFICIALS ARE LAX

Enters Palace Clothing Store and Removes Clothing Valued at \$500.

While the activities of the police department were being directed to a campaign planned to remove the undesirable element of women and other undesirable classes from the city Tuesday night some burglars with no mean amount of courage and skill entered the Palace clothing store at the corner of Fourth and Main and removed clothing valued at approximately \$500.

The police, though called when the goods were found to be missing early in the morning, failed to find any clue which would result in an arrest.

The loss resulting from the robbery included twenty silk shirts, ranging in price from \$7 to \$10 each; several suits of clothes, some suitcases and trunks, underwear and collars.

Entrance was made to the store through a window leading from the front awning, after which they had a clear coast to carry on their work of selecting the goods taken.

Earlier in the evening a seven-passenger automobile was seen on Fourth near the store and it is possible that this was used to haul the stolen goods away.

The police are of the opinion that the stolen goods will be taken from the city and sold, and that no attempt will be made to dispose of the articles taken from the Palace in Tulsa.

DIES OF BLOOD POISONING.

John M. Lombard, Wealthy Land
Owner, Passes Away.

John M. Lombard, wealthy Tulsa county property owner, died at the home of his sister, Mrs. John Eastley, 1132 South Chesapeake avenue, yesterday morning from blood poisoning. Mr. Lombard lived northeast of the city. Funeral services will be held at the home of Mrs. Eastley at 2 o'clock today.

Mr. Lombard is survived by his wife, two sons, John and Albert, a mother, Mrs. Hester Lombard; grandmothers, Mrs. L. A. Carter; two brothers, Walter and Robert; and seven sisters, Mrs. Laura Cunningham of Bartlesville, Mrs. Ida Rober, Mrs. Clara Fanger, Mrs. Nina Messick, all of Avant; Mrs. May Kennedy and Mrs. Irene Eastley of Tulsa, and Mrs. Bees Crutchfield of Skiatook.

G. O. P. TO FEATURE PURE AMERICANISM

Delegates at Convention
Friday Will Wear
U. S. Flags.

Americanism will be the keynote of the Republican county convention which will be held at Convention hall Friday. Chairman A. A. Small declared yesterday that every delegate would be requested to wear or carry a small American flag and the great hall will be gloriously hung and decorated in old glory for the auspicious opening of the great county campaign.

"We need the issue of Americanism right here in the county as well as everywhere else in this country, and it can best be expressed by wearing or carrying the national colors," said Small yesterday. "If there ever was a time when the stars and stripes meant something to us it is now and I want the convention to be an all-out Americanism and patriotism as is possible."

Great Forces at Work.

Great forces are at work in Tulsa county to see that the great convention hall is filled with Republicans. Excellent reports continue to pour into Republican headquarters from all parts of the county and every village and town will have large representation present to see the great campaign begun.

Much interest is being aroused as to who the candidates are going to be. Only a few places on the county ticket have been sought up to this time by Republicans, but Chairman Small declares that there will be several candidates for every office introduced at the convention and a lively campaign will be waged up to the time of the primaries.

One of the important functions of the convention will be to frame and adopt the county platform.

BOARD OF EDUCATION NAMES COMMITTEES

Also Prepare a Report Which Will
Be Submitted at Next
Meeting.

At a meeting yesterday morning of the special committee on the board of education to choose the regular standing committees for the coming year, a report was prepared which, it was expected, would be accepted at the next meeting of the board. The action of the committee is considered final.

The finance committee will be H. M. Welch, chairman; R. R. Lockwood and J. H. League, teachers' committee; R. S. Fellows, chairman, R. R. Lockwood and J. M. Temples, building committee; N. W. Mayhew, chairman, H. M. Welch and J. M. Temples, purchasing committee; R. League, chairman, H. M. Welch and Ray S. Fellows.

The committees are expected to confer with Superintendent E. E. Oberholzer this week concerning several problems which must be settled immediately and the board will meet next Monday night.

URGE TRUST FUNDS IN LATIN TRADE

Commissioners Will Try to Expedite
Gold Exchanges With
Pan-Americans.

WASHINGTON, June 22.—Plans for carrying out the proposals for advancing business relations between the United States and the South and Central American republics agreed to at the Buenos Aires conference of the international high commission were discussed today at meetings of the executive council of the United States.

The commissioners decided to urge the state department to undertake treaties for creation of gold trust funds in all the American nations similar to that maintained in this country by the federal reserve system. Secretary McAdoo declared such funds would greatly expedite commercial exchanges.

Secretary McAdoo announced that treasury department statistics for 1916 would be on the basis of the new monetary unit of a gold franc equal to one-fifth of the American dollar. The commissioners will also ask ratification of uniform trademark, patent, copyright and pecuniary claims treaties.

FATHERS AND SONS SWIM.

Take Advantage of Open Day at Y.
M. C. A. May Be Weekly Event.

Several groups of "fathers and sons" took advantage of the open day at the Y. M. C. A. swimming pool yesterday and the event proved popular. The event will be made a weekly affair. The hours will be changed from 5 to 7 o'clock and it is possible that the day will be Thursday instead of Wednesday.

Hear Insurance Schedule.

Special to The World.
OKLAHOMA CITY, June 22.—The state insurance board has set July 1 as the date upon which final hearing will be given on a proposed schedule of rates pertaining to fire, tornado and lightning insurance. A schedule has already been submitted to the board, which the latter has taken some exceptions to, and these differences will be discussed at the meeting set for July 1.

ROTARY CLUB HOST TO MUSKOGEE CLAN

Varied Program of Music, Reading
and Speeches Features Entertaining.

The Rotary club of Tulsa was host yesterday at the regular weekly meeting to thirty members of the Muskogee Rotary club, who came to Tulsa as part of the booster crowd from Muskogee on a trade excursion trip.

A varied program of music, reading and speeches furnished the entertainment and was much appreciated by not only the visitors but the local members also.

President A. J. Farmer of the Tulsa club presided, and introduced the speakers. A quartet from the Muskogee club sang several songs and rendered a patriotic air which created a wave of enthusiasm throughout the dining room. W. R. Guberson of the Tulsa club gave a splendid reading which was heartily applauded.

President Alexander Smart of the Muskogee Rotary club responded to the welcome extended by President Farmer and paid a high tribute to Tulsa and its enterprising Rotary club. Other short talks were made by J. H. Scholte, W. B. Delehanty, of Muskogee, Secretary Revitt of the Greater Muskogee association, Tama Bixby, editor of the Muskogee Phoenix, and Reverend Shaffer, of the First Presbyterian church of Muskogee.

BAR ASPIRANTS FLUNK ON EXAMS

Few Expect to Pass Graveling Quiz
for Admission to State Circle
of Lawyers.

Special to The World.
OKLAHOMA CITY, June 21.—Seventy-three law students who yesterday and today participated in what is said to have been the most difficult examination for admission to the Oklahoma bar ever held in the state, were waiting anxiously tonight to learn whether they had passed.

The majority were convinced they had been unsuccessful in correctly answering the 150 questions of the examination and it was the consensus of opinion that the number to get through would be small.

The questions of procedure, seemingly, were the most difficult and the students seem to know less about it than the others, according to D. A. McDougal, member of the state bar commission from Sapulpa. The average grade on this subject is fifty and some fell as low as thirty. On the subject of procedure a large number of practicing lawyers fall down daily according to Mr. McDougal.

REPUBLICANS WANT AN ARMY INCREASE

Carried an Amendment Asking For
\$2,000,000 to Protect This
Country.

WASHINGTON, June 21.—Republican members of the house who a month ago amended the naval bill so as to provide for an increase of \$2,000,000 in the aeronautic appropriation carried an amendment through the committee of the whole today for a similar increase in the army bill.

The increase from \$1,222,100 to \$3,222,100 would provide for an additional two hundred machines. Minority Leader Mann, who offered the amendment, declared the aviation service was in deplorable state and should be built up immediately. Only two Democrats, Representatives Vahlgren of New York and Deans of Michigan, voted for it.

An amendment offered by Mr. Hulbert to increase the appropriation by \$14,000,000 was defeated overwhelmingly.

Mexico was brought into the debate several times, but no general discussion of the question developed. The house adopted without opposition an amendment providing that civil employees of the government who are called into the service with the national guard shall be given their old positions when mustered out, but voted down a proposal to increase the pay of guardsmen from \$15 to \$20 a month during active service. Debate on the bill will continue tomorrow.

PREFER ARMY RIFLE TO MOWING SCYTHE

Mobilization Takes Hundreds From
Harvest Work in Western
Part of State.

Mobilizing and recruiting of the national guard in Oklahoma is having a bad effect on the harvest work in the western part of the state, according to Dave Easterly, in charge of the free employment bureau of this city. "I guess the boys don't give a hank about preparedness as far as the crops are concerned," said Easterly yesterday. "and the effect of recruiting in Tulsa yesterday had a telling effect on our office. During the past week I have been sending about eighty men a day to the harvest fields, but yesterday I only sent eight, and I had to hurry to get them."

WASHINGTON HOLDS NO HOPE FOR PEACE NOW

Officials Express Belief
War Certain on Receipt
of Battle News.

WASHINGTON, June 22.—Reports that American and Carranza troops had clashed aroused grave apprehensions here Tuesday night for future relations between the United States and the Mexican de facto government are already strained almost to the breaking point.

Officials declined to make any prophecy as to the next step of the Washington government, saying that until details of the incident had been cleared up it could not be determined whether a crisis had been precipitated. They made no effort to conceal their anxiety but were not ready to abandon hope that an official account of what happened at Carrizal would remove the more threatening elements of the situation.

Much depends, it was indicated, whether the clash was the result of General Carranza's determination to enforce his demand for withdrawal of American troops from Mexico, or merely a detached incident arising out of a misunderstanding between commanders. If it was a deliberate attempt to back up the Carranza edict by force there seems little doubt that President Wilson will accept the Mexican situation as perhaps the most serious aspect it has assumed in many months.

President Wilson, on whom the final decision rests, remained at his office until late tonight receiving such meager information on the subject as was available. Secretary Baker was in close touch with the war department and the White House by telephone. There was every evidence that credence was given the report of the clash, though the report came from Mexican sources, and there was full realization of what it might mean.

The Mexican story of the fight as given to General Bell by Consul Garcia at El Paso was forwarded to the war department by General Funston by radio to General Pershing, giving him the Mexican version that had reached El Paso.

WILL USE THE VODKA PLANTS Russian Distilleries to Turn Out Rub- ber Made From Alcohol.

The central military industrial commission of Russia has just ratified the formation of a special department for the utilization of brandy distilleries and breweries for purposes of national defense.

The first problem confronting this new department is the conducting of experiments on a big scale for the making of artificial rubber from alcohol. The initial experiments have been successfully conducted by the well-known scientist, Mr. Ostromyslensky, and these demonstrated conclusively the practicability of his discovery. It remains for the department to commercialize it on a large basis.

The distilleries and breweries are also to be used for the drying of potatoes, to be used in the making of feed for cattle. The third use to which the empty buildings are to be put is their adaptation as headquarters of different branches of the chemical industries, for which there is now a great demand. In this it is planned to utilize all those numerous buildings, which have been standing idle since the passing of the temperance law.

TULSA GETS EPWORTH MEET.

Is Chosen for 1917 District Convention.
Lloyd Brush to Be President.

Tulsa was chosen for the 1917 meeting and Lloyd Brush of this city was elected president at the Epworth league conference of Tulsa district which was held at Bristol Monday and Tuesday. The Tulsa delegation was the largest in the conference and led the meeting in every way.

James Tuttle of Tulsa was elected vice-president; Miss Frances Campbell of Bristol, secretary, and Miss Lippert of Stroud, treasurer. Among the Tulsans who appeared on the program were the Rev. L. S. Barton, the Rev. J. W. McConnell, Miss Lucille Duncan, Miss Clara General, Lloyd Brush, Mrs. Elizabeth Kreitz and James Tuttle.

Too Bad.

EXHAUST PANELS IN HADLEY TRIAL

Three Hundred Talesmen Summoned
But No Jury Yet in Murder
Trial at Muskogee.

MUSKOGEE, June 22.—When district court adjourned today the jury that will try Paul and Ida Hadley for the murder of Sheriff Jake Giles of Beaumont, Texas, aboard a Katy passenger train, March 24, was far from completed.

Already three hundred talesmen and special veniremen have been subpoenaed in an effort to obtain a jury. Fifty of the last venire of a hundred men remained unquestioned tonight and it is probable that a jury will be selected before tomorrow noon. The state has exercised its fifth peremptory challenge and the defense its fourth. Each side has nine.

Ida Hadley, a study in white and black, sat today in the courtroom at her husband's side, her hands tightly clasped in his. When a venireman today, in answer to a question asked by the prosecution as to whether or not he had formed an opinion, said: "Sure, I think they are guilty," Ida Hadley's face blanched and she leaned her head upon her husband's shoulder and sobbed.

\$6,000 PAID FOR CAR LICENSES.

Tulsa County Leads All Other Counties in Revenues Paid on Autos.

Tulsa county paid nearly \$6,000 in auto taxes last month according to County Treasurer Ed Dalton. This license tax is collected by the state which retains 10 per cent of the amount, 25 per cent is refunded to the county and 65 per cent goes into the good roads fund of the county.

The amount of taxes paid in by Tulsa county motorists has been mounting steadily since the new method of apportioning them back to the city and county was inaugurated last year. In this manner the motorists contribute an average of \$10,000 a year to the city and \$40,000 to the county.

Tennis Today.

Opening games in the singles tournament to be played Thursday, Friday and Saturday on the Y. M. C. A. tennis courts will be played at 5 o'clock this afternoon. It is hoped to play off the first round today, leaving Friday for everything up to the finals.

ROOSEVELT SILENT ON MILITIA ORDER

Is Passing Time Quietly With Home
Folks Now; Moose Leaders
to Call.

OYSTER BAY, N. Y., June 22.—

Colonel Theodore Roosevelt tonight refused to comment on the ordering of militia for service in Mexico, sending word to the reporters who called at Sagamore Hill that he had nothing to say.

The colonel spent Tuesday quietly in his home playing grandfather to Theodore Roosevelt III and Miss Grace Roosevelt. His only visitors were Reverend Talmadge, who called

to pay his respects, and a few neighbors.

The latter part of the week it is probable that a number of Progressives will call upon the colonel regarding the letter he is expected to send the Progressive national committee for its meeting on June 26. Beyond the fact that it will in all probability be an endorsement of Justice Hughes' candidacy no intimation is forthcoming as to its contents.

Colonel Roosevelt may omit his usual weekly visit to his New York office this week that he may become entirely free of the attack of pleurisy from which he has been suffering. It is expected that this will have run its course in three or four days. Meantime it is probable that he will stay close to his home.

Wasting Time.

"There's nothing in making excuses."
